

Dear P.1, P.5 and P.6 Parents,

**P.1, P.5 and P.6 Students' Immunization**

P.1, P.5 and P.6 students' Immunization was affected by the suspension of classes. After discussed with the Department of Health, we have the following arrangement.

- (A) P.1 and P.6 students' uptake of Diphtheria, Tetanus, acellular Pertussis & Inactivated Poliovirus Vaccine (DTaP-IPV Vaccine) will be held on 9 June (Tuesday). **P.1 and P.6 students who have already signed the parental consent will take the above vaccine that day.** (For enquiries, please contact the school staff) Moreover, since P.1 classes are still suspended on 9 June, P.1 students should be accompanied by their parent to **arrive school 3/F playground at 9:30a.m.** that day for the vaccination. If any students are unavailable to be vaccinated that day, their vaccination will be made in assigned clinic of the Department of Health in the future.
- (B) P.1 students' uptake of Measles, Mumps, Rubella and Varicella (MMRV) Vaccine, P.6 students' uptake of Measles, Mumps and Rubella (MMR) Vaccine and Hepatitis B Vaccine and P.5 students' uptake of Human Papillomavirus (HPV) Vaccine will be held on 16 July, 2020 (Thursday). **The parental consent will be given to students when the school resumes.**

Remarks:

1. Students who feel unwell, have travel history for the past 14 days or are the close contacts of people with travel history for the past 14 days should not come to school.
2. Please make sure your child has had breakfast on the vaccination day.
3. Please inform the class teacher or Mr. Tsoi if your child is not suitable for vaccination due to health conditions or any other reasons.
4. Students should wear sports uniform on the vaccination day.

Yours sincerely,

YUEN Oi-yee

The Principal of Canton Road Government Primary School

(Teacher-in-charge: Mr. Tsoi)
